Chicken Gizzards

Quick Freezer-to-Fryer Preparation!

Chicken Gizzards are pre-browned in addition to being marinated and lightly breaded with our proprietary blends. Because of the high moisture content in our Chicken Gizzards, customers are treated to a nice crunch when they bite into these. These are frozen, ready to cook.

Traditionally Chicken Gizzards are very popular in the Southern United States, however, they are growing in popularity across the Midwest and into the Pacific Northwest.

Try some today with a dipping sauce portion pack!
