## Sriracha Spicy Cheese Curds

**Sriracha Spicy Battered Cheese Curds feature a delicious heat**

If you live outside of Wisconsin, you likely never have seen Cheese Curds on your local restaurant menus. Cheese Curds are a classic Wisconsin appetizer featuring gooey melted cheese waiting to ooze out of a crisp flavored crust.

Broaster paired Wisconsin's finest cheese with a Sriracha flavored coating to create Sriracha Curds. Spicy outside, delicious melted cheese inside. Why didn't we think of this sooner?!

Sriracha Spicy Cheese Curds are made from Wisconsin's finest natural white cheddar cheese that are encased in a spicy sriracha batter. These curds are frozen, ready to cook.
