Traditional Breaded Chicken Wings

Grab 'N Go Scrumptiousness

Traditional Breaded Chicken Wings are a delicious addition to your menu. These wings are ready to cook drummies - 1st and 2nd joint wings. Our wings are marinated and breaded with our proprietary ingredients.

The flavor is so great you can either serve them plain or toss with our dipping sauces, or add one of our portion pack dipping sauces as the perfect compliment to these wings.

Perfect for any get together or everyday as a grab 'n go snack, for lunch away from the office, or for a quick and easy dinner!
