

## RTC Boneless Buffalo Wings

**Moist and Flavorful with Larger than Average Piece Size**

Boneless Buffalo Wings are made from tender, delicious 100% breast meat. We cut the breast meat to simulate the shape of a drummie - Broaster never forms, chops or processes our chicken products, we cut our boneless buffalo wings directly from the breast and provide only the best! This product is frozen, ready to cook.

These tasty Boneless Buffalo Wings are marinated with a very mild heat and coated with our proprietary zesty breading. Your customers will love the lip-smacking flavor that these wings provide.

Perfect grab 'n go snack or great as an appetizer!
