Signature Mac N' Cheese

This classic down home comfort food will satisfy all ages of your customer demographics

Signature Mac N' Cheese is a delicious and creamy blend of cheese and large elbow macaroni noodles that is the perfect side item to compliment to your menu. Mac N' Cheese is one of the most popular comfort foods around the world and is actually so well known and liked that it has it's own holiday - July 5th!

Signature Mac N' Cheese is already prepared and frozen in 5 pound bags for quick and easy preparation. Operators need to only rethermalize using their preferred method based on available equipment.
